1. A course for construction workers was organized by the Building Industry Union in Bydgoszcz located on ul. Wroclawska No. 7. The course was held from April 1953 to July 1953 in the Technical School for Construction Work on ul. Kopernika No. 6 in Bydgoszcz in an old, concrete, three-story school building. The purpose of this course was to prepare skilled workers for the construction industry (przodownikow pracy i brygadzistow); it was attended by 30 persons including both men and women.

2. The following subjects were taught in this course:

   General instructions concerning construction plans.

   Methods of fulfilling individual and group norms (normy jednostkowe i zbiorowe).

   Materials employed for building preservation (paints, varnish, pitch).

   Construction of building bases, walls, and vaults.

   Central heating and plumbing systems.

   Wooden barracks construction.

   History of new Poland.

   History of the Communist party.

   History of Lenin's and Stalin's life.

The political lectures were held each evening from five P.M. to nine P.M.
